Terms and Conditions:

Mold inspection and sampling should be performed only by professionals trained and qualified to conduct mold inspections in residential buildings. Laboratory analysis, test data and reports are based on samples submitted to AHL, AHL employs Environmental Microbiology Laboratory, Inc. (EMLAB) to perform the analysis of the samples.

None of AHL, EMLAB or their affiliates, subsidiaries, suppliers, employees, agents, contractors and attorneys (each an AHL-related party) are able to make and do not make any determinations as to the safety or health condition of a property in the report, nor do they make any determinations as to the ability of the inspector.

The client and client's customer are solely responsible for the use of, and any determinations made from, the report, and no AHL-related party shall have any liability with respect to decisions or recommendations made or actions taken by either the client or the client's customer based on the report.

Except as expressly provided for hereunder, each AHL-related party hereby expressly disclaims any and all representations and warranties of any kind or nature, whether express, implied or statutory, related to the testing services, the report and the test data.

In no event will any AHL-related party be liable for any special, indirect, incidental, punitive, or consequential damages of any kind regardless of the form of action, whether in contract, tort (including negligence), strict product liability, or otherwise, arising from or related to the testing services or the report. The aggregate liability of the AHL-related parties related to or arising from the report, whether under contract law, tort law, warranty or otherwise shall be limited to direct damages not to exceed the amount actually received by AHL from the client. MoldREPORT MoldREPORT is the AHL's official reporting system for the client. MoldREPORT MoldREPORT is designed for residential mold inspections, and is not designed nor intended for other types of inspections, including but not limited to school, hospital and industrial building inspections.

All test data are reported electronically. Special reporting requirements or other special client preferences, are not included in the base price of the analysis. Only one TAT is available for all samples listed on this document. Please do not write outside of the indicated data entry locations on this form. All notes or marks outside of these areas will be discarded. AHL will make a reasonable attempt to interpret data recorded in this document, but cannot accept responsibility for errors caused by illegible data on this document.

The invalidity or unenforceability, in whole or in part, of any provision, term or condition herein shall not invalidate or otherwise affect the enforceability of the remainder of these provisions, terms and conditions.

CLIENT AGREEMENT & AUTHORIZATION:

"I have read, understand, and agree to all of the terms and conditions above and I request American Home Laboratories, Inc. to process these samples accordingly and charge the credit card on file for this account in payment for these services."
